The Debtor will not take any action or fail to take any action, and will use its best efforts to prevent any action by other persons subject to its control which would adversely affect the validity or enforceability of the rights transferred to the Secured Party under this Agreement or the rights associated with any of the Trademark Collateral.

Section 3. New Trademark Collateral. The Debtor represents and warrants that Schedule I sets forth all of the trademarks and trademark applications of the Debtor.

Section 4. Representations. The Debtor represents and warrants to and covenants with the Secured Party that:

(a) To the best of Debtor's knowledge, no trademarks or trademark applications constituting part of the Trademark Collateral has been adjudged invalid or unenforceable in whole or in part;

(b) To the best of Debtor's knowledge, the Trademark Collateral is valid and enforceable and no claim has been made that the use of any of the Trademark Collateral infringes upon the rights of any person;

(c) The Debtor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to all of the Trademark Collateral, free and clear of any liens except for security interest in favor of Secured Party; and

(d) The Debtor has the unqualified right to enter into this Agreement and perform its terms and, to the extent it deems reasonably necessary, has entered and will enter into written agreements with each of its present and future employees, agents and consultants which will enable it to comply with the covenants herein contained; and

(e) The Debtor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Trademarks and has made, and will continue to make, all appropriate filings with the United States Patent and Trademark Office and all applicable foreign government offices to maintain the Trademarks in existence, including, without limitation, filing all necessary documents with the United States Patent and Trademark Office and all applicable foreign government offices for each trademark to maintain it without loss of protection therefor; and

(f) No currently existing licensing arrangements with respect to any of the Trademarks prohibits the Debtor from granting a security interest in the Trademark Collateral.

Section 5. Royalties. The Secured Party's interest in the Trademark Collateral as granted and authorized by the Debtor hereunder shall be coextensive with the Debtor's interest in the Trademark Collateral and shall not create any liability for the payment of royalties or other charges from the Secured Party to the Debtor or any other person.

Section 6. Right to Inspect: Further Assignments and Security Interests. The Secured Party shall have the right, at any reasonable time and from time to time, to inspect the Debtor's premises and to examine the Debtor's books, records and operations relating to the Trademark Collateral; provided, however, that in conducting such inspections and examinations, the Secured Party shall use its best efforts to keep all

information relating to any Trademark Collateral gleaned in any such inspection or examination confidential and shall not divulge any such information to any Person other than the Secured Party or any assignee of Secured Party or any lender participating with Secured Party with any debt secured hereby (or any assignee of Secured Party) or their respective officers, directors, employees, professional consultants and other designated agents; provided, further, that (A) the Secured Party may disclose any such confidential information as required by applicable law or (B) the Secured Party may disclose any such confidential information to any Person in connection with the sale, license or transfer of any Trademark Collateral by the Secured Party after the occurrence and during the continuance of an Event of Default. After the occurrence and during the continuance of an Event of Default, the Debtor agrees that the Secured Party, shall have the right (but not the obligation) to take any and all actions to preserve the Trademark Collateral and protect against any and all infringements thereon.

Section 7. Termination of the Secured Party's Collateral Assignment and Security Interest.

This Agreement is made for collateral security purposes only. Upon the final and indefeasible payment in full of all of the Secured Obligations and termination of all financing arrangements between the Secured Party and Debtor, this Agreement shall terminate.

Section 8. Additional Obligations of the Debtor. (a) The Debtor shall take all reasonable and necessary action to preserve and maintain all of the Debtor's rights in the Trademark Collateral, including, without limitation, making timely filings with the United States Patent and Trademark Office for renewals and extensions and diligently monitoring unauthorized use thereof and paying annuities and otherwise maintaining foreign counterparts with respective foreign trademark offices. Any expenses incurred in connection with the foregoing shall be borne by the Debtor.

(b) The Debtor shall notify the Secured Party promptly if the Debtor knows, or has reason to know, that any application or registration relating to any Trademark Collateral may become abandoned or dedicated, or of any material adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, any foreign trademark office, or any court) regarding the Debtor's ownership of or the Secured Party's interest in, any Trademark Collateral, its right to register the same, or its right to keep and maintain the same.

(c) Intentionally Omitted

(d) The Debtor will, after notice to and approval by the Secured Party, by or through counsel reasonably acceptable to the Secured Party, take or cause to be taken all necessary steps and actions, including, without limitation, in any proceeding before the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain the Trademark Collateral, including, without limitation, filing of applications for renewal and payment of maintenance fees.

Section 9. The Secured Party's Right to Sue. After the occurrence and during the continuance of an Event of Default (as hereinafter defined), the Secured Party shall have the right, but not the obligation, to bring suit in its own name to enforce any rights pertaining to the Trademark Collateral and, if the Secured Party shall commence any such suit, the Debtor shall, at the request of the Secured Party, cooperate fully to the extent requested by the Secured Party in and of such enforcement. The Debtor shall, upon demand, promptly reimburse the Secured Party for all reasonable costs and expenses incurred by the Secured Party in the exercise of such enforcement (including, without limitation, the reasonable fees and expenses of attorneys, paralegals, accountants, and other experts).

Section 10. The Secured Party's Exercise of Rights and Remedies upon an Event of Default.

Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that, upon the occurrence and during the continuance of an Event of Default, the Secured Party may exercise any of the rights and remedies provided in this Agreement, the Security Agreement (as hereinafter defined) and/or in any of the Loan Documents (as defined in the Loan Agreement), all rights and remedies under applicable law, and/or all rights and remedies of a secured party under the Uniform Commercial Code and/or any other applicable law. Without limiting the generality of the foregoing, Secured Party may immediately, without demand of performance and without other notice (except as described in the next sentence, if required by applicable law), or demand whatsoever to the Debtor, each of which the Debtor hereby expressly waives, and without advertisement (except as required by applicable law), collect directly any payments due the Debtor in respect of the Trademark Collateral, or sell at public or private sale or otherwise realize upon the whole or from time to time any of the Trademark Collateral or any interest which the Debtor may have therein. The Debtor hereby agrees that ten (10) days' notice to the Debtor of any public or private sale or other disposition of any of the Trademark Collateral shall be reasonable notice; provided, however, that no notice shall be required hereunder if not otherwise required under applicable law. At any such sale or disposition, Secured Party may, to the extent permitted by applicable law, purchase the whole or any part of the Trademark Collateral sold, free from any right of redemption on the part of the Debtor, which right the Debtor hereby waives and releases. After deducting from the proceeds of such sale or other disposition of Trademark Collateral all cost and expenses incurred by Secured Party in enforcing its rights hereunder (including, without limitation, all attorney's fees), Secured Party shall apply the remainder of such proceeds to the payment of the Secured Obligations in such order of application determined by Secured Party in its discretion. Any remainder of the proceeds after payment in full of the Secured Obligations shall be paid over to the Debtor or such other person as may be legally entitled thereto. If any deficiency shall arise, Debtor shall remain liable to Secured Party therefor. As used herein, the term "**Event of Default**" shall mean the occurrence of any one or more of the following:

- (i) the occurrence of an Event of Default under that certain Security Agreement from the Debtor to Secured Party dated as of even date herewith which secures, inter alia, the payment of the debt evidenced by the Term Note and the debt evidenced by the Line of Credit Note (such Security Agreement and all amendments and modifications thereof being herein called the "**Security Agreement**"); or
- (ii) the occurrence of an Event of Default under, and as defined in, the Loan Agreement or any of the other Loan Documents (as defined in the Loan Agreement); or
- (iii) failure of the Debtor to comply with, perform, keep and observe each of the terms, covenants and agreements contained in this Agreement; or
- (iv) any representation or warranty of the Debtor in this Agreement proves to be false or materially misleading.

Section 11. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

Section 12. Cumulative Remedies; Power of Attorney. All of the Secured Party's rights and remedies with respect to the Trademark Collateral, whether established hereby, by any other agreements or by applicable law, shall be cumulative and may be exercised singularly or concurrently. The Debtor hereby

appoints the Secured Party and all Persons designated by the Secured Party, in its sole and absolute discretion, as the Debtor's attorney-in-fact, with full authority in the place and stead of the Debtor and in the name of the Debtor or otherwise, from time to time after the occurrence and during the continuance of an Event of Default, in the Secured Party's discretion, to take any action and to execute any instrument which the Secured Party may reasonably deem necessary or advisable to accomplish the purposes of this Agreement, including without limitation, (a) endorsement of the Debtor's name on all applications, documents, papers and instruments related to the Trademark Collateral, (b) the grant or issuance of any exclusive or non-exclusive license under any of the Trademark Collateral or (c) the assignment, pledge, conveyance or other disposition of any of the Trademark Collateral. This power of attorney being coupled with an interest, shall be irrevocable for the term of this Agreement and thereafter until all of the Secured Obligations shall have been finally and indefeasibly paid in full and all financing arrangements between the Secured Party and Debtor shall have been terminated. The Debtor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Secured Party under the Security Agreement, the Loan Agreement or other Loan Documents (as defined in the Loan Agreement), but rather is intended to facilitate the exercise of such rights and remedies. The Secured Party shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by applicable law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of Georgia or any other applicable jurisdiction.

Debtor hereby authorizes Secured Party to file from time to time such UCC Financing Statements (without requiring Debtor's execution thereof) naming Debtor, as debtor, and Secured Party, as secured party, as Secured Party deems appropriate to perfect or protect the security interest granted Secured Party in the Trademark Collateral.

Without limiting the generality of the foregoing, the Secured Party shall be under no obligation to take any action necessary to preserve rights in the Trademark Collateral against any other persons but may do so at its option, and all expenses incurred in connection therewith shall be for the sole account of the Debtor and shall be added to the Secured Obligations secured hereby.

Section 17. Waiver of Notice and Bond. THE DEBTOR WAIVES (a) ANY NOTICE PRIOR TO THE TAKING OF POSSESSION OR CONTROL OF ANY OF THE TRADEMARK COLLATERAL OR ANY POSTING OF ANY BOND OR SECURITY WHICH MIGHT BE REQUIRED BY ANY COURT PRIOR TO ALLOWING THE SECURED PARTY TO EXERCISE ANY OF THE SECURED PARTY'S REMEDIES SET FORTH HEREIN, INCLUDING THE ISSUANCE OF AN IMMEDIATE WRIT OF POSSESSION AND (b) THE BENEFIT OF ALL LAWS REQUIRING A VALUATION OR APPRAISAL OF ANY TRADEMARK COLLATERAL BEFORE THE SECURED PARTY MAY EXERCISE ANY RIGHTS OR REMEDIES AGAINST THE TRADEMARK COLLATERAL OR BEFORE SUCH EXERCISE SHALL BE DEEMED TO BE REASONABLE AND ALL LAWS WHICH EXEMPT PROPERTY FROM THE DEFINITION OF TRADEMARK COLLATERAL OR FROM THE EXERCISE BY THE SECURED PARTY OF ITS RIGHTS AND REMEDIES HEREUNDER.
